General Secretary Xi Jinping comprehensively and completely elaborated the core essence of China's unique educator's spirit in six aspects, including ideal conviction, moral sentiments, wisdom in educating people, attitude of cultivation, benevolence and pursuit of the Way, and also highlighted the importance of the status and role of teachers from shaping the souls, shaping the lives and shaping the people, and advancing the prosperity of the country, the revitalization of the nation and the development of education; and discussed in depth that to be a good teacher, it is essential to have an ideal conviction, moral sentiments, solid academic knowledge and a heart of benevolence.

03 Discussion statements by all faculty and staff

The third item of the meeting: the participating teachers expressed

their own experience on the spirit of great educator mentioned by General Secretary Xi Jinping. Mr. Yi Hanhua said that in the new era, society is progressing and teachers must also progress, teachers are also scholars and should establish the concept of lifelong learning. Mr. Xu Zhengyu believed that teachers should be the leading geese on the way of students' learning, and lead them to make progress together and look forward to a strong China together. Ms. Fu Xiaoling mentioned that teachers should have the wisdom of teaching students according to their aptitude, practice it, understand its rich connotation, and continuously cultivate their own wisdom, so that every student can have the opportunity to excel in life, and grow up to be a new man of the times who can take up the great responsibility of national rejuvenation.

04 Wrap-up meeting by the Secretary of the Party Branch

The fourth item of the meeting: Comrade Gu Wanhong summarized the meeting. General Secretary Xi Jinping's important instructions reflect the Party Central Committee attaches great importance to the cause of education and special love for the teacher group. Learning and implementing the spirit of the important instructions of General Secretary Xi Jinping on Teachers' Day is of great significance to consolidate the basic status of the construction of the teaching force and accelerate the construction of a strong education country. As grass-roots educators, we should vigorously carry forward the spirit of educators, combine the spirit of educators with the construction of teachers' morality, tap the red resources of Hankou University, increase the publicity of "good teachers of Hanyuan", "excellent educators" and other typical publicity, and the "dare to be a

pioneer" of Hankou University. Hankou University's motto of "Dare to be First, Seek Truth from Facts, Aspire to Greatness, Pursue Excellence" is highly compatible with the spirit of Hankou University, fostering a campus culture of respect for teachers, respecting the laws of education and the individuality of the students, teaching and educating, and cultivating the roots and souls of the students.
